Gentlemen:

I am writing this letter because I firmly believe I could be of service to your fine organization. For a period of twenty-two years I have been involved in the people business. My livelihood and my success has been due to the fact of my ability to qualify - qualify if people are telling the truth, qualify if people are financiaible, qualify people if they are eligible to conduct business - all within minutes.

I am not a type-cast engineer, chemist, linguist or mathemation. I am a hard working, aggressive business man extremely talented in positive communication skills.

I feel in my life that a service to my country would be rewarding. I personally feel that your Agency needs fresh stimmlating personnel. I hope you find the enclosed resume interesting. If so, I would welcome your feeling and comments.
